LOVE YOUR NEIGHBOR PROJECT'S
ALL YOU NEED IS LOVE COMMUNITY GRANT APPLICATION

Open to all residents living in the North Shore Central School District and Glen Cove areas

Purpose:
Love Your Neighbor Project's All You Need is Love Community Grant awards one (1) resident from our collective neighborhood living within the North Shore Central School District (NSCSD) and Glen Cove whose proposed community project best aligns with LYNPs mission of connecting to social goodness.

Social Goodness, as defined by LYNP, describes everything good that connects us to others. The phrase to sum up: integrity, honesty, kindness, generosity, and empathy. The words that describe meeting neighbors where they are, not where we believe they ought to be. It's playing in the sandbox together. It's ending the labeling, judging, shaming, and blaming that happens within a community. It's sharing our humanity with one another and respecting each other even when we don't agree. Social goodness is a willingness to stand with a neighbor whose experiences do not match our own while making room for the experience they are having.

Award:
Grant recipient, as determined by Love Your Neighbor Project, our Board, and appointed committee, if applicable, will be awarded $500 to go towards funding the proposed project.
